This is a concise air/oil separators catalogue. For information on the full range of Fleetguard products, consult our Master Catalogue. However, the manufacturers make no guarantee, either expressed or implied, as to its accuracy. Changes of engine and type numbers by the manufacturers and/of filter types are covered by this reservation. Original part numbers of vehicle or engine manufacturers are given for comparison only. They are not meant to give the origin of the parts and cannot be utilised for vehicle owners.

Deze catalogus is een samenvatting. Raadpleeg ook onze uitgebreide filter catalogus. De inhoud van deze catalogus is zorgvuldig samengesteld, ze is echter niet bindend. Wijzigingen van motoren en type nummers door de fabrikanten en of filter types worden gedekt door het voorbehoud. Wijzigingen voorbehouden. Originele nummers van onderdelen van truck- of motoren producenten zijn alleen voor vergelijking gegeven. Ze zijn niet bedoeld om de originaliteit van de onderdelen aan te geven en kunnen niet als zodanig door voertuig eigenaren aangewend worden.

Cette liste n'est pas exhaustive. Pour plus de détails, veuillez consulter notre catalogue général. Les informations contenues dans ce catalogue sont données à titre indicatif à notre clientèle et sont aussi précises que possible. Cependant, le fabricant ne garantit, ni explicitement ni implicitement, leur exactitude. Tout renseignement concernant des spécifications et des applications, est issu de bonne source. Beaucoup de constructeurs proposent des options moteurs et / ou de filtres sur des modèles spécifiques; il se peut que des constructeurs introduisent des changements sur un modèle en cours d'année de production; il est possible que des propriétaires modifient des équipements. Il est donc impossible d'affirmer que chaque modèle utilise le filtre spécifique indiqué dans ce catalogue.
